

Tax Exemption

I was charged sales tax on my order even though my Amazon Business account is setup for tax exempt purchasing. How do I get a refund?

Because Amazon provides a marketplace made up of millions of sellers, there are instances when sellers may still charge tax on tax exempt purchases. Contact the Seller directly to request the refund.

1. From within your account, navigate to "Your Orders"
2. Find the item that was charged tax and click "Contact the Seller"
3. Enter subject as "Tax Exemption Refund Request"
4. Include the order number and amount charged

If you have issues contacting the seller, or other order related questions, please contact the Business Customer Service team [HERE](#).
